Phone Number	

WAIVER:

I am volunteering to participate in this activity with the understanding that it involves use of sharp tools like pruning saws and loppers on irregular terrain along a steep riverbank. I understand that there will be interaction with other people, which may lead to exposure to Covid-19. I understand that there may be black-legged ticks that may carry Lyme disease in the area.

I understand that I am solely responsible for my own safety.

In consideration of the acceptance of my application to participate in the buckthorn removal activity, I, my heirs, executors and administrators, waive and release any and all rights and claims for damages I may have against the Friends of the Carp River, the Huntley Community Association, the City of Ottawa, volunteers, their representatives, successors and assignees for any and all injuries, illness or death that may directly or indirectly result from my participation in the event. Further, I shall permit the free use of my name and picture in publicity resulting from the event.
